RIA BINTAN  
GOLF CLUB

## Greetings, fellow players

It has been a wonderful experience to design the golf course at Ria Bintan as this is probably one of the best sites I have worked with anywhere in the world. The variety this site has, with the sea, forested areas and large elevation changes in such a natural environment is really unique.

I hope you have as much fun and enjoyment playing golf as I had designing it. Playing golf here is a meaningful experience and certainly one that you will not forget.

Play well!!
